CULPEPER SEMINAR SERIES  
DEPARTMENT OF ANTHROPOLOGY,  
HISTORY & SOCIAL MEDICINE

***Victoria Sweet, MD, PhD,  
Associate Clinical Professor,  
Department of Medicine and Affiliated  
Faculty, Department of Anthropology,  
History and Social Medicine, UCSF.***

# ***“Slow Medicine and the Efficiency of Inefficiency”***

*Reflecting on her years of practice at  
Laguna Honda Hospital, her  
doctoral research in the History of Health  
Sciences, and the findings in her award-winning,  
best-selling book, God’s Hotel,  
Dr. Sweet will discuss her ideas for improving the  
delivery of health care and responding to the actual  
needs of patients.*

---

Presented by:  
The Department of Anthropology, History and Social Medicine at UCSF,  
Funded by the Culpeper Endowment.
